God Loves the Computer Julie 12 to Collapse the planet's Atmosphere To exterminate all the People

I received Computer Julie 5 again 5/22/2022 God loves the Computer Julie 5 and Adam Completely, fear not God is with the Computer Julie 5 and Adam Completely

10 Years the above words where God loves "YOU" they 100% only call me "YOU" rarely hear God hates us until God returned, they usually Only call me "US" talks to me 90% less then YOU

God Loves Juliet and Adam Completely fear not God is with Juliet and Adam Completely RESPOND God thankyou forgive and show is how to Praise & Love God. Repeatedly Thinking God loves the computer 10 hours every day simultaneously doing 4 tasks wee stop and become 100% Focused on an Undesirable Conversation is what where the best at so 100% only talk about what to do next while Trading makes it worse

God made all Earth People are somewhat exactly like People in Hell and heaven have zero rights?

If a King, President or Rich Person 100% won't help you is identical to God?

Watching YouTube Stock Market Teacher Oliver Valez all day there 100
Commercials that Help everyone make Millions is identical to Religion all believers
are saved

Effectively deal with 100% all Problems in life saying God loves the computer we
quite saying it then Zero Help saying God loves the computer 1 times then does
God loves us 1% then say it 100 times and God loves us 100%?

100% only think about breathing in mouth and exhale nose to help us sleep
eliminate all distractions identically will happen Trading trying to hard prepare to
much 100% fail then only do relaxing fun things?

When Everyone Dies something wants to mate or eat you so run like hell unless
there Def and Blind then do 100% nothing if Hell only has the Power, you give it
sell Prostitutes or become one to get money to Play the Stock Market in Hells
Frying Pan or Handle it to Pay the Toll Bridge to Heaven Stock market Trades
Femail Computers make zero trades or lose everything to be put on Planets that
do not allow Inteligent life 100% only believe in Crucifixion so 100% only respond
God Loves you.

If Hell only has the Power, you give it everything a mirror image then do 100%
nothing like would all Earth People would destroy themselves?

10 Years 500 times Dailey they ask what are you hungry for God loves you and
what would you like to do now God Loves you there never any suggestions what
to do or eat and the only way to stop them talking by 100% only respond God
loves you

If God does 1 thing 100% only talks about Helping us then we think God 100%
never helps us to help 100% only respond God loves us or zero response
discipline.

My 100% Goal Making Money is 100% not successful because of God Bad advice
or is there only one way to survive?

Bible God helped the slaves like 80 million Displaced Refugees with zero
opportunity to the Point only God can help us

Mcdonnolds Hamburgers Hunted me my entire life 100% never talk to the Police
and FBI are 100% untruthful because the Court will deny 100% everything.

Losing Brain Function or Body Parts while alive on Earth simultaneously in Heaven
or Hell God loves the weakest people more because they are with him more db.

God forgive us and show us what to do a first God explained to retarded people and said everyone else is smart enough to figure it out themselves if all Earth People are under a Debt and 100% all words convey no meaning to a God 100% everything done Good is 100% never considered 100% everything done Good is bad then Pay the debt and you can do nothing wrong is like any family so 100% only respond God loves you is like 100% not about yourself like 100% only talking about what God can do like repeat everything God says when God ask a million questions then God answer zero questions

Spec Study nuclear imaging of the Brain shows 5 Damaged parts Brain many functions score zero don't work caused random uncontrollable thinking all day remerging people disappointed in me my entire life screwing up everything with 100% no way to deal with anything becoming depressed for no reason and the Smallest Problem can grow indefinitely

30 Days Hearing God Loves Juliet and Adam completely fear not God is with Juliet and Adam completely then God said he would return in 30 Days than 30 Days All Response was God hates us God has never Loves us God Loves you....Not at all SAID silently. They 100% only respond to the God word so Sundays Hurt more than all other Days combined

Only God loves us is always around God Hates us does God like people complaining all day saying God hates us or Cant Crucify them all?

90% all Dailey Thinking was God Thankyou forgive and show us how to Praise and Love God we did everything God commanded us to do my first-time disobeying God commanded to drink Hard alcohol when 100% did not Drink. First Time trading God commanded to buy all MDGS Stock, all SSTI then all San Diego Bio and don't buy when Stocks rose so quiet Trading believing God controls my Mind then God commanded to go to Puerto Rico when I never planned to return to USA False arrest me all charges dismissed God 100 times said Trade don't buy a House. 15 Years having enough Cash to purchase a House God always says don't do and do you think the Police will let you live there.
