

Parents, have your say!

Are you a parent of a child in reception or key stage 1? Or do you know such a parent? If so please read on...

What have been your experiences as a parent of a child in reception or KS1? Do you feel you have been included or excluded from your child's learning? Do you feel you know what school expects from you or your child?

Is family life being undermined?

We want to know what you think about early school/family life balance.

"When she moved from reception I had no idea what to expect"

"The school tells us they are sorting out attendance and they need to sort out the maths, but what has that got to do with me?"

"I am told to write in a book everything we do, it's a chore!"

"...children are under so much stress these days at school, I don't want to push him at home too!"

What do you think?

(Be assured it will be completely anonymous)

"I am not sure schools have any choices nowadays, ...they just have to teach a top down curriculum!"

Please get in touch we really want to know what YOU think!
