APPENDIX

The Species Accounts form one of the volumes of the StN database. The database comprises a series of text files and spreadsheets. If you wish to receive the spreadsheets, please print out the licence agreement below, fill in your details, sign it and send it by post to the address indicated. Signing the licence agreement also means that you will receive notification of future issues of StN files (including the Species Accounts). Issues of the database are produced at roughly 2-year intervals. Some files (like the Species Accounts) are updated more frequently.
